HBA of Western Michigan
local candidate informational questions

1) Are you currently serving in the MI Legislature? If No, have you ever run for elective office? List any offices you've previously run for and convey the outcome.

No. I ran for this same office two years ago, I lost.

2) What is your background (education, employment, other relevant experience)?

BS from CMU. 35 years working with the Republican Party. I have made three business an extra 1-10 million dollars.

3) If elected/re-elected, what top concern(s) would you address first?

Ax MI TAX. Convention of States. ONLY the states can balance the federal budget. I can permanently lower gas prices and make Michigan independent of OPEC or bad Federal Policy

4) Why should the residential, construction and remodeling community support your candidacy?

See above.

5) Why should the residential, construction and remodeling community NOT support your opponent's candidacy (if applicable)?

See question 3

6) Today, the home building and remodeling community is confronted with a wide array of complex issues. Within your community, what resource(s) do you look to for advice/counsel?

You. I have 2300 Facebook friends. Many of them have the same goals that I have.

7) Government regulations, policies, ordinances and codes are trending issues for the residential, construction and remodeling industry. How would you reduce regulations to better support the promotion of additional housing?

Upon election I will look at the specifics and cut regulations and requirements

8) What is your philosophy on residential development, impact fees, property taxes, etc.?

AXMIN TAX. When you own a home you should own a home, not rent it from the government for taxes.

9) If elected/re-elected, what steps would you take to encourage and support new housing development?

Inflation is caused by government overspending. The Convention of States will balance our federal budget.

10) What is your position on property owners' rights regarding development, redevelopment and remodeling?

I believe the government can advise but should not have the power to regulate remodeling.

11) How would you define positive housing market growth within the community?

Maximum possible freedoms. Minimum possible regulations.

12) How can the HBA of Western Michigan assist you if elected/re-elected?

Advise me. Keep me knowledgeable
